PayTec C2⁺

Datasheet

Processor	32-bit ARM with integrated security
Memory	128 MB RAM 256 MB Flash
Operating System	Linux 4.x.x
Interfaces	4x USB Host 1x USB Device LAN (Ethernet) RS-232
Communication	10/100 Mbit Ethernet Optional: WWAN (4G) WLAN Bluetooth
SAM Slots	2
Data Security	via Micro SD Card
ECI Interface	KIT - Kassenintegrierter Treiber (ECI integrated driver) MDB - Multi Drop Bus
Power supply	5V-24VDC
Dimensions (L x M x H)	70 x 80 x 65 (mm)
Weight	250 g
Environment	Temperature: -20° C to 70° C Humidity: 0 - 85% non-condensing
IP Ingress Protection	IP 67
Approvals Certifications	PCI PTS 5.x EMV L1/L2 payWave PayPass ExpressPay QuickPay D-PAS CE Conformity TQM
